Located in the heart of O'Fallon, this 4-bedroom, 3-bathroom home is just a short walk from downtown restaurants and the shopping district. The house provides plenty of space for everyone to have their privacy, including a living room, a family room with a wood-burning fireplace and gas starter, a formal dining room with wood flooring, a spacious eat-in kitchen with a breakfast bar, and a main floor laundry room. Additionally, there's a 4-season room with cathedral ceilings and windows, adjacent to the family room. Upstairs, you'll find the primary suite, a guest bath, and 3 additional guest bedrooms, one of which has double closets. The home had new vinyl siding installed in the last 2 years and also features a privacy fence.
